life-changing income and wealth

GPAL

Global Piptle Agency License

PIPTLE

"A perfect gate-way to a successful future using crypto"

Start or expand your business within a business from \$388.00

Piptle

People Inspire People to Learn 'n' Earn

Upskilling and active earning opportunities

The Global Piptle Agency Licence (GPAL) was created to be the premium master license to authorise and derive multiple income streams from the three levels of Piptle licenses and a suite of multiple websites and e-commerce platforms.

• Global Piptle Agency Licence (GPAL)	\$2088.00
• Branch Piptle Agency Licence (BPAL)	\$2088.00
• Piptle Selling Agency Licence (PSAL)	\$1088.00
• Piptle Affiliate License (PAL)	\$388.00
• Piptle Club Membership	\$88.00

Piptle Members create multiple streams of income and upskill their knowledge, through the Piptle Academy and the empowering choices of the agency model, that supports you to create your own, easy and affordable "business within a business". A business championing Network income through the power of:

- Education & upskilling knowledge through the Piptle Academy.
- Sales and marketing expertise that amplifies the delivery and distribution of a diverse range of products & services through;
 - EziMoon.com
 - Piptle.store
 - EziBids.com
 - PipEzi Wallet.
- Licensing and Commission income from the two tiers of Sales Agents + the referral and income from platform sales of products, vouchers, services & agency licenses.

In the future

It will be possible to introduce a regulatory compliance and permission, for us together tokenise and deliver digital tokens and fractional ownerships for affordable Property and Rental Income;

- Members will be able to buy and sell **Piptle Asset Tokens (PAT's)** which will allow them to Piptle real estate Rental Income linked to a titled area of

1sqm @ a Time

- Tokenised business assets and machinery
- IP and domain names
- Create Non-Fungible Tokens (NFT'S) and tokenise Art.

Supported by our new Piptle Utility Coin enabling you to buy and sell products, services and vouchers in the Piptle Ecosystem.

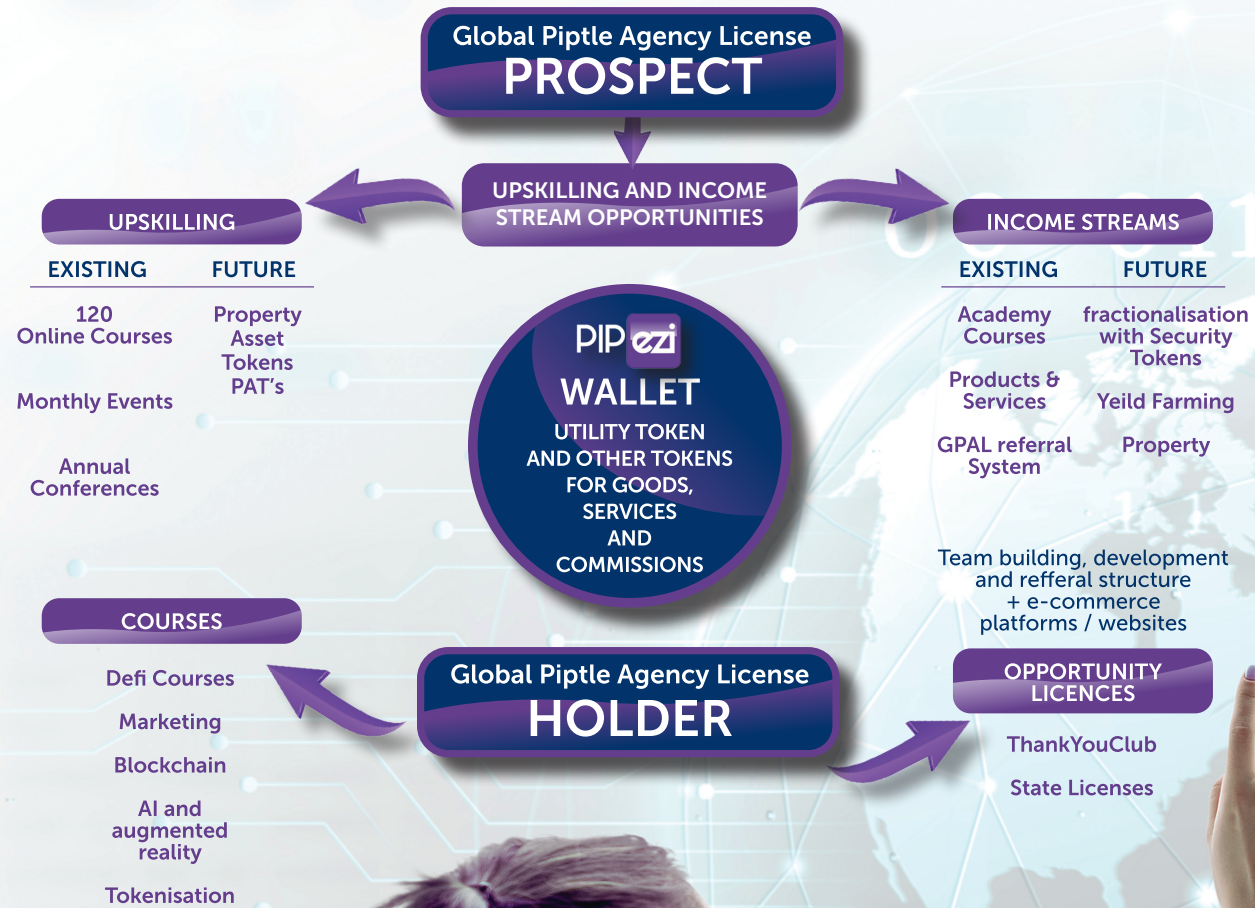

This is done through our Pipezi Wallet

The keeper of PAT's.

A new class of real estate ownership.

The currency that powers the Piptle community ecosystem.

Piptle (PPTL) Coins are the currency that powers the Piptle community ecosystem. The total supply of PPTL Coin is 770,000,000 and the awesome news is ALL LICENSEES and members share in the wealth derived from the sale of our Piptle Coins. Indeed, based on the level of their License and also on their active participation in community and family of Piptle.

They have a wide variety of utility use that includes:

Governance

PIPTLE PPTLs holders and Piptlers will be able to vote on proposals to amend the terms and rules for the adoption of projects. The platform will eventually achieve full decentralization and be truly owned by its token holders.

Fees and Purchases

PIPTLE PPTLs are required for using critical features of the platform.

Staking Rewards

PIPTLE PPTLs Stakers will get rewarded with platform fees.

NFT Farming

PIPTLE PPTLs can be staked to earn exclusive NFT rewards in the platform's premium partner farms.

Exclusive Token Drops

PIPTLE PPTLs holders will have exclusive access to some of the most exciting new NFTs issued by SuperFarm platform partners.

Ecosystem Advertising

For powerful premium and recurring revenue.

Affiliate Rewards

Empowering loyalty and Strategic Sales.

Business Access

Growing community and expanding databases.

Bill Payments

Made easy with incentivising rewards.

Shopping with Crypto

The smart way to expand your current customer base and rewards that enable you to stake and amplify your bottom-line profits.

Future Currency to Purchase PAT's

As well, in the future, a smart and innovative way to provide "ezi" payment solutions in both housing rent and property affordability.

Education Offers

The most amazing way to power the vision and way to participate in the new economy of DeFi

Lending

Accessing the leverage in your Crypto - powering your understanding of Staking and Liquidity Pools

GPALs

Global Piptle Agency Licenses

"Secure one of our very exclusive Global Piptle Agency Licenses (GPAL's), with the assurance of a single and valuable Non-Fungible Licensing Token (NFT) enabling unparalleled success."

Understanding the ecosystem and the power of securing your GPAL agency.

Our Mission:

"Putting agency into the soul of your business"

We enable you to access the power of the Blockchain, Smart Contracts and our Piptle ecosystem, to expertly provide you with the tools and the Intellectual property to quickly help you to learn and to create your own business in a business - To expand your sales, not of just new memberships and licenses but more, through broadening your opportunity to participate in the marketplace of crypto.

We achieve this helping you to adopt a strategy to accept Crypto payments from many of the new Crypto wealth users – who want to buy your or your friends and colleagues goods and services. In five minutes, we can facilitate and open your mind up to new markets and a phone base Payment system that will amaze you. We will introduce you to the multi-currency and advanced payment system of Pipezi Wallet. We will show you how you can covert many Crypto Payments to Fiat and strategically empower your role in the community.

We provide you with the opportunity to license and share the agency of Piptle and more, the huge upside in home and business education as it is presented in our Piptle Academy.

The spirit and the mission of our company is broadly directed into helping you to understand and navigate the ecosystem of our expanding community of upskilling individuals, and companies, and more, how we can realise our objective to 100% support you to build you own home-based enterprise that can champion rich rewards from the adoption of emerging technology and marketing our membership and services.

The signature key of our success is in delivering to you not just new knowledge, but the power in how your can use our diverse website and affordable Dashboard Sets to evolve sales and rewards to riches in Crypto.

We have created a catalogue of digital tools, and Platform genius that will support you to 100% facilitate both product and membership sales from the providence of our amazing Apps, Software as a Service (SaaS) and specialist "ezi" to use programming tools. Now is the time to imagine and vision you as a leader and proud owner of a GPAL agency business.
